What is Showbie?

Showbie is an app that allows teachers to assign work and assignments to students.

Students complete assignments and activities in Showbie and send it back to their teacher.

Students can show their learning by adding photos, videos, text, drawings, voice recording or files.

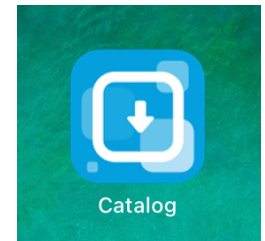

How to Set Up an Account

#1: Open the Showbie app on your iPad.

Showbie App

If you don't have the app, download it from the App Catalog.

IF you are on a computer, go to www.showbie.com

#2: Click "Sign Up for Free".

How to Complete Assignments

#1: Open your class and locate your assignments.

The screenshot shows a mobile app interface. On the left, a sidebar titled "English 7" lists assignments under the heading "ASSIGNED": "Cursive" (no due date), "Journal writing" (no due date), "Poetry" (no due date), and "The secret garden" (no due date). A red arrow points from a red box on the left to the "Cursive" assignment. On the right, a "Cursive Assignment Folder" displays a comment input field, a "Post" button, and a "+" icon. Below this is a card for "Letter forms" by Ms. Hansen, dated Sep 9, 2015. A red box highlights this card, and a red arrow points from a red box below to it.

On the left, you will see all your class assignments

Click here to view assignment

#2: Use the annotation tools to complete your work.

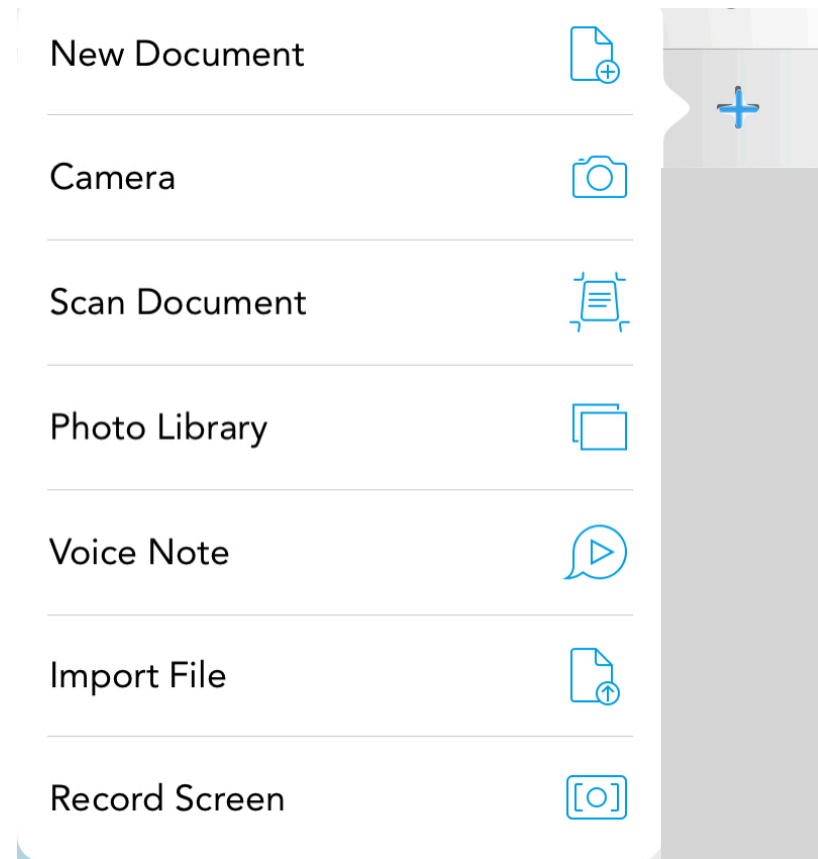

#3: Always press Done to save your work and submit your assignment to the teacher.
